Grad Parade: 1:30 – 3:00 Friday June 19th

- Students must have signed up for a designated spot along the parade route.
- A list of students and their designated spot will be shared out by email Thursday evening.
- Students need to have called the school to claim a spot prior to 10:00 am Friday morning. At 10:30 am we will have a group out marking/numbering spots.
- Students are expected to use their designated spot and not gather in groups.
- Students/parents need to be dropped off at their location and picked up. Please do not park along the parade route.
- We will have staff located along the route with traffic control. There will be first aid available at the school if required.
- Our safety muster spot in case of emergency is at NPSS.

Additional Video:

- There **will not** be a live stream of the parade. We will have a company film footage of the parade and we will post a download link on our website the following week.
- The footage of the 'Grand March' will not be attached to the ceremony stream. We are working at completing a private clip to be shared privately with each student that participated. A private link will be sent out to students towards the end of the week, next week.
